## **Convicted Sexual Offenders Policy**

ADOPTED JUNE 1,2020

It is Narrow Trail Cowboy Church's desire to work with and provide spiritual service to those who attend our church that have been convicted of sexual crime or crimes. The rules we put in place are there to allow Convicted Sexual Offenders to attend our services while protecting the staff and members of the congregation. There will be ZERO tolerance in the breaking of said rules.

1. All Sex Offenders who wish to attend our service will be assigned to an escort who will accompany them while they are on church property.
2. When the Sex Offender arrives upon the church property it is their responsibility to notify the escort assigned to them that they are there to attend service.
3. All Sex Offenders will be given an area of the church where they will be allowed to seat during the service. No one in the church will know the seating except the Pastor, certain staff, escort and the sex offender.
4. At no time while on the property will the Sex Offender be allowed into the restrooms of the church. If there is an emergency and they must use the restroom facilities there will be an escort present with them.
5. Under no circumstance will a Sex Offender be allowed into areas where children's education or other children's activities are taking place.
6. All Sex Offenders will limit their contact with individuals in the church with handshakes only.
7. All Sex Offenders will be asked to leave the property once the service is over unless the escort is able to monitor them following the ending of the service.
8. The Church membership / congregation will be advised that a convicted sex offender is attending services.
9. Any violations from these rules by Sex Offenders are subject to discipline and the possibility of immediate termination from the church.
10. This Policy will be reviewed annually.
